

Medastrana generally

Every one of us dreams about a better future, a better life where our hearts will be content and our mind calm, without thinking of the many problems that plague our lives. This is what MEDASTRANA is all about, it brings you closer the fulfillment of your dreams, hopes and to your higher inner self. Love is necessary for all of us, as necessary is the oxygen and water for our body. Love is the driving force of our human nature.

MEDASTRANA is a result of many years research and has been built and is offered with love. With respect to your unique personality and individuality, you are provided with useful information and advice. The reading and understanding of the MEDASTRANA analysis is simple, pleasant and is viewed without difficulty because there are no complex notions. Medastrana helps you. It shows you the way, to activate your higher inner self. The elements of Medastrana
MEDASTRANA IS THE UNIQUE IN THE WORLD ALTERNATIVE
HOLISTIC METHOD OF PERSONAL ANALYSIS AND UNIVERSAL EXPERIENCE, WHICH PROVIDES
YOU YOUR ALTERNATIVE HOLISTIC PERSONAL ANALYSIS. MEDASTRANA is a method which contains three elements:

1. The Pythagorean arithmosophy,
2. The influence of the Sun to human's life and
3. The meditation.

The main element of the MEDASTRANA is the Pythagorean arithmosophy. (For more information about how the Medastrana works, go back to Favorites and read "How Medastrana works").
